

Attachment Sync Fails Because it Takes Too Long

Last Modified on 01/13/2026 1:41 pm EST

Problem

Syncing large attachments persistently fail and cause time-out errors.

Cause

Exalate for Jira Cloud has a 'time-out' set to 2 minutes. Exalate might time out during large uploads because of the session timeouts.

Solution

To increase a time-out session you need to [raise a support request](#) to our Service Desk directly. Or just [send an e-mail](#) to support@exalate.com.

[Release History](#) 

This [will](#) create an issue on our Jira Service Desk allowing for further tracking. Our support team will [configure](#)  variable on the corresponding nodes.
