

# Problems during Installation using Yum

Last Modified on 03/04/2024 10:27 am EST

## Problem

When you try to install Postgres onto Oracle Linux the following error occurs:

### Error detail:

```
Error: No matching Packages to list
```

## Cause

yum fails while installing Postgres onto Oracle Linux according to [this guide](#)

```
yum list postgresql*
```

## Solution

You can download and install the necessary packages from the [Postgres RPM repo](#).
