

Jira on-premise - Version 5.1.0

Last Modified on 11/25/2022 4:33 am EST

Released for JIRA ON-PREMISE on Dec 28, 2020

In this release, we've added a new interface to set up a connection between instances. You can use it if you have admin access to both instances. Check out [Set up a Visual connection in Exalate for Jira on-premise](#) for more details.

In this release

Improvements
