How to Edit an Exalate License Key

Last Modified on 09/28/2023 7:10 am EDT

When registering your Exalate instance, you get an evaluation license. You can update the license key after buying an instance, or a network license. This article shows how to update the Exalate license key.

1. Navigate to the License Details Tab in the Exalate Admin Console

2. Click the edit icon in the License Key field
