

How to Upgrade a Free Plan License in Jira Cloud

Last Modified on 09/28/2023 7:10 am EDT

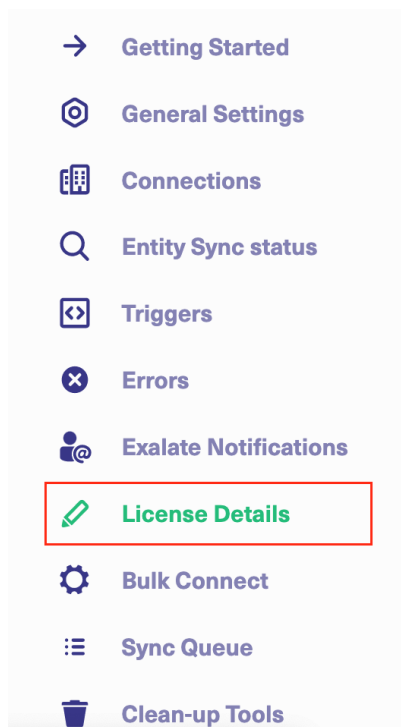

This article shows how to upgrade a Free plan license to a Paid license. You can buy the Paid license in the marketplace or within Exalate. With the Paid license you can use [Visual](#) and [Script](#) connections, which let you sync more issue fields and customize your connections.

To upgrade to a Paid license:

1. Navigate to **Apps** -> **Manage apps**

2. Select the **License Details** tab

3. Click **Buy license**

License Key 

BUY INSTANCE LICENSE

Purchase a standard Exalate instance license. Each side of the connection will require a valid license.
