

How to Find the Link to the Admin Console of Exalate for GitHub

Last Modified on 08/17/2023 5:33 am EDT

We host the Exalate app for GitHub. This means that the Exalate admin console has its own URL.

Note: If you lost the URL of your Exalate app for GitHub, follow [this link](#) to recover it.

To access the console, provide the username or organization name used to install the app.

Accessing your Exalate for GitHub

To access your exalate node, provide the user/organization used for the Github App installation
