

Known Issue: The "Cancel Subscription" modal displays incorrect amount of issues under sync

Last Modified on 06/05/2024 3:34 am EDT

Problem

When a user with an active license or subscription navigates to the 'License Details' page and clicks the 'Cancel subscription' button, the 'Cancel subscription' modal appears, displaying an incorrect number of issues currently under sync.

Cause

This is a known issue that could be caused by a minor inconsistency in the Exalate database.

Solution
